A Real Wonderland.

South Dakota, with its rich silver mines, bonanza farms, wide ranges and strange natural formations, is a veritable wonderland. At Mound City, in the home of Mrs. E. D. Clapp, a wonderful case of healing has lately occurred. Her son seemed near death with lung and throat trouble. "Exhausting coughing spells every five minutes," writes Mrs. Clapp, "when I began giving Dr. King's New Discovery, the great medicine that saved his life and completely cured him." Guaranteed for coughs and colds, throat and lung troubles, by Fort Pierce Drug Co. 50c, and \$1.00. Trial bottle free.

Amphibious China.

Holland's canals are famous, but the canal system of China is far more marvelous, and its value to the enormous empire is simply incalculable. No country in the world has more navigable rivers and canals than China. The network of waterways, natural and artificial, so covers the empire that almost as many people live upon the water as on the land. The Great canal, that wonder of the world, runs north and south from Canton to the extremity of the empire, and by this route the waves of all nations are carried to Peking, a distance of 825 miles. This canal is fifty feet wide; it passes through, or near, forty-one large cities; it has seventy-five large sluices to keep up the water and has thousands of bridges.

There are Few

people who know how to take care of themselves—the majority do not. The liver is a most important organ in the body. Herbine will keep it in condition. V. C. Simpkins, Alba, Texas, writes: "I have used Herbine for chills and fever and find it the best medicine I ever used. I would not be without it. It is as good for children as it is for grownup people, and I recommend it. It is fine for lagrippe." Sold by Trowell Drug Co.

Dumas and His Money.

Dumas the elder was not in the habit of counting his money, but did once, leaving it on the mantel while he left the room for a few minutes. When he returned and was giving some instructions to a servant he mechanically counted the pieces over again and found a louis missing. "Well," he said, with a sigh, "considering that I never counted my money before, I can't say it pays."

Cured Lumbago

A. B. Canman, Chicago, writes March 4, 1903: "Having been troubled with Lumbago, at different times and tried one physician after another, then different ointments and liniments, gave it up altogether. So I tried once more, and got a bottle of Ballard's Snow Liniment, which gave me almost instant relief. I can cheerfully recommend it, and will add my name to your list of sufferers." Sold by Trowell Drug Co.

The last report of the State Comptroller showed 78 State banks doing business in Florida, December 31, 1906. These banks showed capital invested, \$2,203,210; surplus, \$620,782.07; undivided profits, \$503,678.74; aggregate, \$3,327,670.81. And the most of these banks have been organized during the past three years, since the law has required regular examiners, under State control.

Ancient Rome

is now merely a memory of the past. Ballard's Snow Liniment is the family liniment of the twentieth century. A positive cure for rheumatism, burns, cuts, sprains, neuralgia, etc. Mr. C. H. Runyon, Sunbury, Mo., writes: "I have used Snow Liniment for rheumatism and all pain. I can't say enough in its praise." Sold by Trowell Drug Co.

The supreme court of Florida has reversed the decision of the circuit court at Gainesville, which granted a verdict in favor of Mrs. Carrie D. Mallard against the Atlantic Coast Line for \$22,000 in her suit for damage for the death of her husband, who was an engineer on defendant railroad.

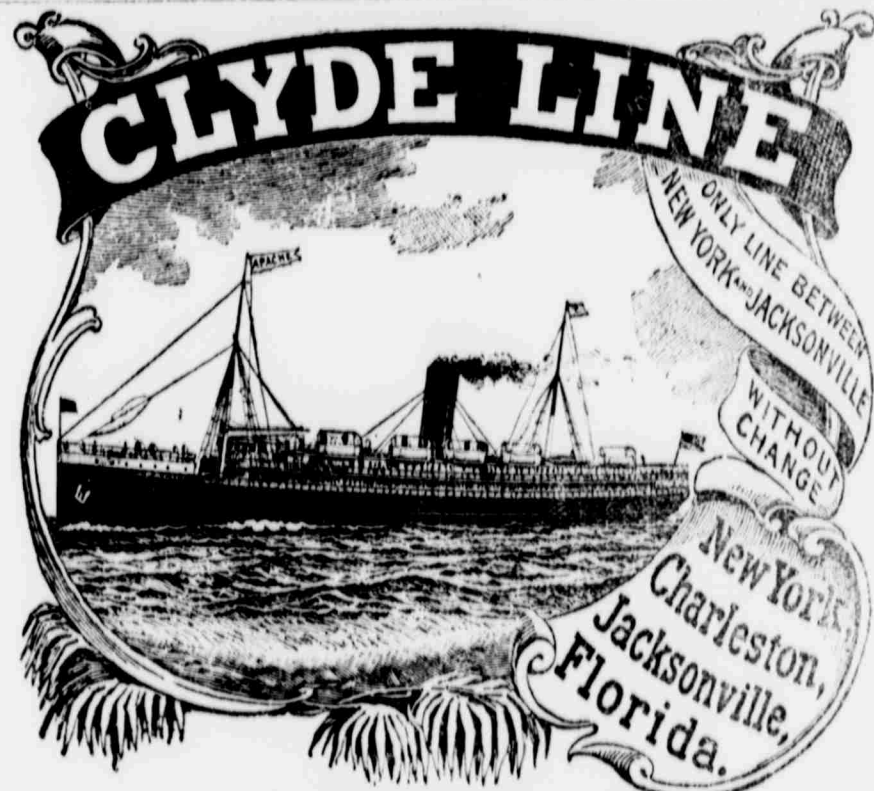

A Dangerous Deadlock.

that sometimes terminates fatally, is the stoppage of liver and bowel functions. To quickly end this condition without disagreeable sensations, Dr. King's New Life Pills should always be your remedy. Guaranteed absolutely satisfactory in every case or money back, at Fort Pierce Drug store. 25c.

The Lee County Bank is a new financial institution which opened its doors for business in Fort Myers on Monday.

Here's Good Advice.

O. S. Woolever, one of the best known merchants of LeRayville, N.Y., says: "If you are ever troubled with piles, apply Bucklen's Arnica Salve. It cured me of them for good 20 years ago." Cures every sore, wound, burn or abrasion. 25 cents at Fort Pierce Drug store.
